February 4, 2025
06:45-07:45 am PST

Manchester Grand Hyatt
Grand Hall AB

ADD to
calendar

Roberto Giugliahi
Brazil

Sandro Feriozzi
Italy

Aneal Khan
Canada

After the symposium you will be able to:

- describe the progression and impact of pain on quality of life
- summarize the roles of Gb3, lyso-Gb3, and inflammation in neurological complications
- understand biomarker connections to neurological complications and management practices

This Satellite Symposium is not part of the official *WORLDSymposium™* program, and *WORLDSymposium™* does not approve or endorse any commercial products or services discussed during the Satellite Symposium or offered for sale by the corporate supporter of the Satellite Symposium. This Satellite Symposium is not approved for CE by *WORLDSymposium™* or any other entity. Eligibility: Registration for *WORLDSymposium™* 2025 and an official *WORLDSymposium™* badge are required to attend this satellite symposium.

Code: VV-MEDMAT-114529. | Preparation Date: December 2024.

This symposium is initiated, organized and funded by Takeda.

***This symposium is for non-US healthcare professionals only.** Please be advised that this symposium is a non-CME event.
