

Industry Symposium sponsored by Amicus Therapeutics

This meeting is not intended for registered attendees from the UK.

# MOVING FORWARD TOGETHER

## Exploring a new treatment approach in LOPD

**Wednesday 7 February 2024, 11:45 AM–12:45 PM PST**  
**Grand Hall CD**

### Join our symposium to:

- Gain insights into living with LOPD, from experienced patient advocate Jared
- Discuss Amicus Therapeutics' new therapy for LOPD, with Professor Tahseen Mozaffar
- Explore the management of LOPD through a clinical case presentation, with Professor Mark Roberts
- Ask your questions to our expert panel

We look forward to seeing you there!

**Prof Tahseen Mozaffar**

*Professor of Neurology,  
University of California*

**Prof Mark Roberts**

*Consultant Neurologist,  
Salford Royal NHS Foundation Trust*

**Jared**

*Living with LOPD*

Jared, living with LOPD

LOPD, late-onset Pompe disease.

This Satellite Symposium is not part of the official *WORLDSymposium™* program, and *WORLDSymposium* does not approve or endorse any commercial products or services discussed during the Satellite Symposium or offered for sale by the corporate supporter of the Satellite Symposium. This Satellite Symposium is not approved for CE by *WORLDSymposium* or any other entity.

Eligibility: Registration for *WORLDSymposium 2024* and an official *WORLDSymposium* badge are required to attend this satellite symposium.

This satellite symposium is organized and sponsored by Amicus Therapeutics and is intended for registered healthcare professionals, based outside of the UK. Amicus Therapeutics' treatment will be discussed at this event.
