

# Advancing Collaboration in Patient Equity and Innovation in Fabry Disease Care

Thursday, February 6, 2025  
12:15–13:15 PST, Grand Hall AB

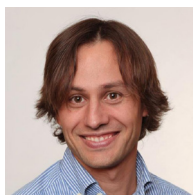

This symposium  
will cover the  
following  
aspects of  
Fabry disease  
care:

Amplifying the patient  
voice to uncover the  
unique unmet needs  
of different patient  
populations

Identifying the key  
evidence gaps and  
clinical challenges  
that remain barriers  
to optimized care in  
Fabry disease

Exploring innovative  
approaches to move  
toward enhanced  
care across all patient  
populations

Please join us  
for this insightful  
discussion!

## Prof. Patrício Aguiar

Professor,  
Inborn Errors of Metabolism  
Reference Center, North Lisbon  
Hospital Center, Lisbon, Portugal

## Dr. John Jefferies
